

October is Domestic Violence Awareness Month

But I have never been hit...

There's an old saying "Sticks and Stones may break my body but words will never do it."

Unfortunately this is not true; words have lasting and often painful staying power. Domestic

violence is more than physical violence. It can also be mental, emotional, and psychological. This workshop will address the power of words and the lasting effects of those words.

RSVP for Free Child Care

<https://www.eventbrite.com/e/but-i-have-never-been-hit-tickets-27220329739>

Dinner will be provided.
